To director hospital in Chrzanów

I would like to thank the nurses, ^{physio}therapists, and doctors for helping me and taking care of me during my stay. Although, at first, I was nervous for my surgery, the staff here made sure to accommodate my needs and to reduce my worry. To the day staff, and to the night staff, and to everyone who helped me, my family and I thank you from the bottom of my heart. May God bless you all, and may our paths cross again either in this life or the next.

With LOVE,
